Please list a brief description of your loss and the type of tree you wish to replace:

I hereby submit my application for the replacement of a tree lost in the Dundee Area due to the June 6th, 2010 tornado. I understand all applications will be reviewed by the Plant a Tree for Dundee committee of the Dundee Area Rotary Club. My application was submitted by the due date of September 15, 2010. I understand that due to limited funds a random drawing for winning a tree will be held amongst all eligible applicants. The drawing will take place on September 30, 2010 at 1:00 at the Old Mill Museum. If I do not get drawn for the fall planting and funds permitting, there will be an additional drawing in 2011. A Rotary member will contact me after the drawing, if my application is drawn. If I am a winning recipient of a tree I agree to contact Miss Dig at 800 482-7171 or www.missdig.net to have all underground utilities flagged. I also agree to have the area marked where I want to have the tree planted. I understand that due to the nature of the project all reasonable attempts to plant the tree in my desired location will be made but the final decision will be made by the Plant a Tree Committee. I understand if the committee does not find the flags from the utilities and a stake indicating where the tree is to be planted I will automatically forfeit my tree. I understand the Dundee Area Rotary is not responsible or liable for damage _ at time of planting. I also understand that to make sure my tree grows and remains healthy, I am responsible for regular watering, pruning, fertilizing and maintenance. The Dundee Area Rotary Club does not guarantee the trees. Instead, all trees will be subject to the guarantee issued by the nursery providing the trees.
